FITTING INSTRUCTIONS

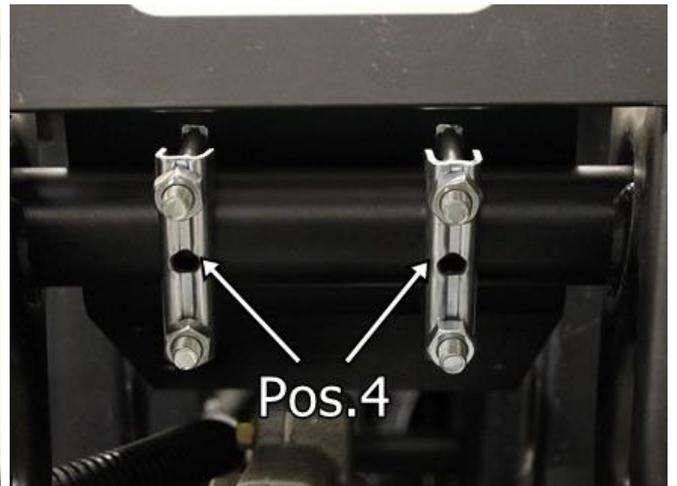

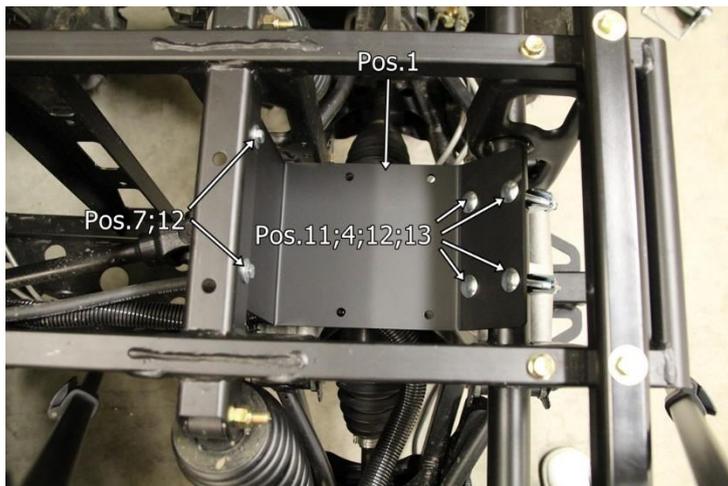

Step 1

Remove original number plate and hitch.
Remove hitch cotter pin securityline bolt.

Step 2

Install winch plate 05.7401 and winch. Winch cable must run from the top!

Step 3

Install winch roller to the plate 05.7402.

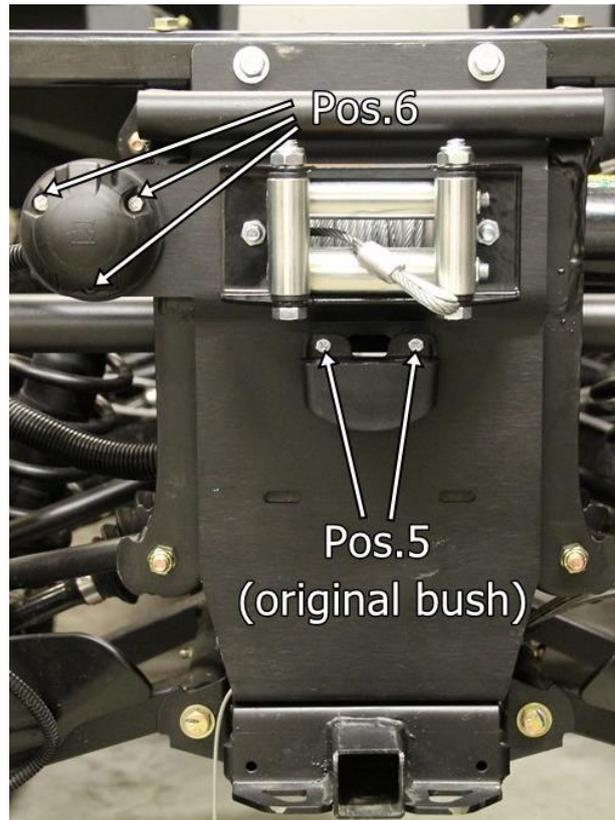

Step 4

Install rear winch plate on the machine. Upper part of the plate goes behind the tube and between the frame. Install cotter pin cable back under the bolt.

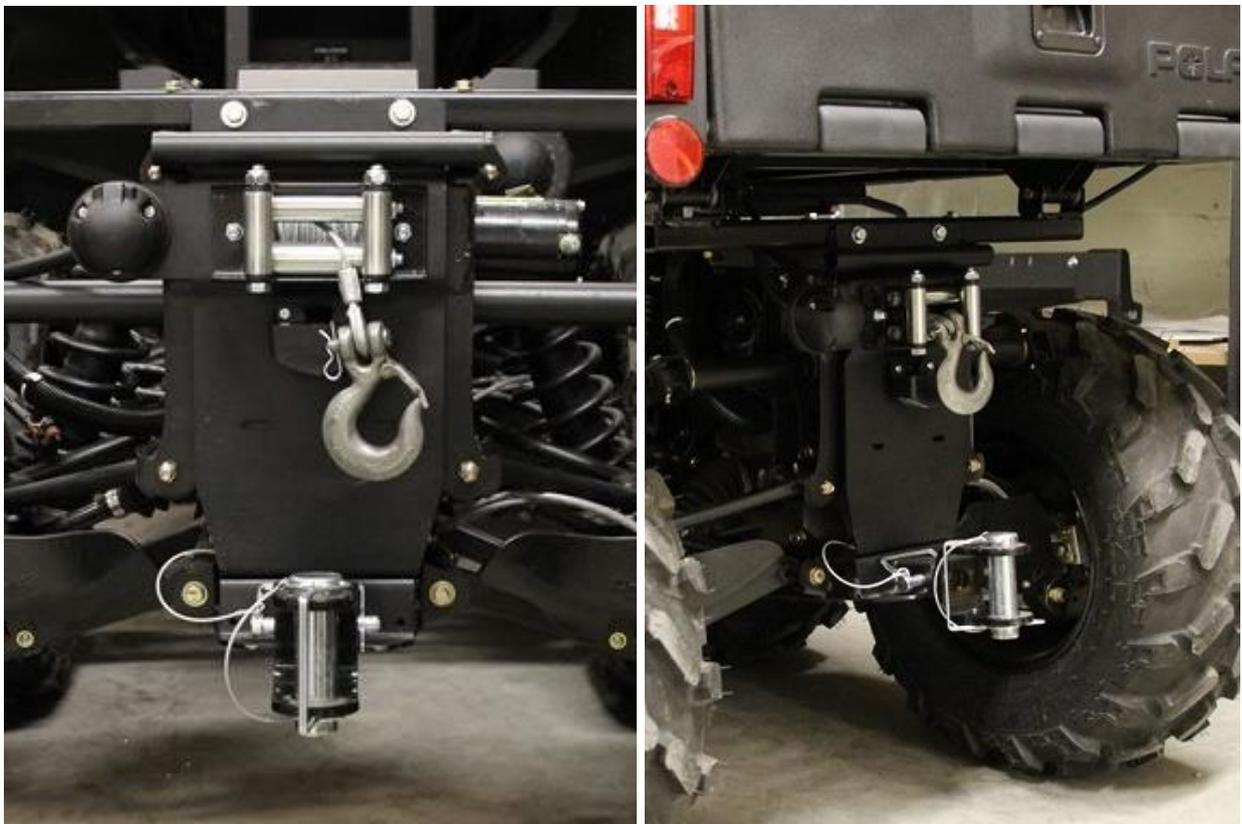

Step 5

Install trailer connector and number plate light (use original bushes to fit the light).

Step 6

Install hitch back.

Step 7

To install the registration plate, use bushes 05.5406 under the plate, so that the number would clear a-arm bolts.
